### **Verse 1**

**Sol** Too 'long this has gone on  
I know this means war  
So I'm putting my armor on  
This won't be like it was before, Cause  
**Koor** Enough is enough  
I'm coming to get my stuff  
And I'm takin back what the devil stole from me

### **Verse 2**

**Sol** He steals, kills, destroys  
But he is a failure at his best  
I've got my sword in my hand  
And I'm here to pass this test  
**Koor** Enough is enough  
I'm coming to get my stuff  
And I'm takin back what the devil stole from me

### **Verse 3**

**Sol** The devil thought he had my mind  
But this time he has made a mistake  
I'm fighting back this time  
Cause this junk is going to break  
**Koor** Enough is enough  
I'm coming to get my stuff  
And I'm takin back what the devil stole from me

## Bridge

**Koor** How bad do you want it?  
**Sol** I want everything Gods got for me  
**Koor** What does the Word say about it?  
**Sol** His word says resist the devil and he will flee  
**Koor** How bad do you want it?  
**Sol** I want everything Gods promised me  
**Koor** What does the word say about it?  
His Word says greater is He that is in me  
**Sol** I'm looking for a remittance  
**Koor** Seven times greater.  
**Koor** Cause I'm takin back what the devil stole from me

- 1 Op long beginnen met bounce pas: je hakken om de beurt omhoog (niet je hele voet) of om de beurt je knieeën buigen (je moet bouncen).
- 2 Streck je rechterhand naar voren (alsof je iets pakt). Je strekt je hand en arm helemaal uit bij taking it back en take it.
- 3 Vuisten maken en duimen naar achteren (je armen tegelijk naar achteren net boven je schouders).
- 4 Bij back houd je je vuisten net boven je schouders met je duimen naar achteren. Dit hou je 3 tellen vast waarna je je handen rustig laat zakken.
