

## **RAIN DOWN**

The Fighting Temptations, Angie Stone feat. Eddie Levert  
Arr. Rick Piepers + Irene Annink

solo 1      There's a storm within  
              And I don't want to let it end  
              I'll give you all control  
              Let your love rain down on me

solo 2      In my heart and mind  
              Is your love divine  
              I'm gonna let it flow  
              Let your love rain down on me

### **Chorus:**

**koor      Gonna raise my hands and dance  
              Gonna give him all I can  
              Everytime I call his name  
              His love rains down on me  
              Gonna lift my voice and sing  
              Of the love and joy he brings  
              Everytime I praise his name  
              His love rains down**

I was in distress  
I needed happiness  
So I got down on my knees  
And asked you to comfort me  
I know that thunder brings the rain  
So I called your Holy name  
And you washed away my sins  
Gave me new life again
